Lutheran Social Services of Wisconsin and Upper Michigan makes a life-changing impact for tens of thousands of neighbors each year. Through this ministry, we walk with neighbors in need – people with disabilities, people struggling with mental health and addiction challenges, vulnerable elders, at-risk youth, refugees. We provide and connect people with services that empower people to be healthy, housed, and thriving. Jennifer will share updates on LSS programs and how current events and changes to social safety net programs are impacting the people LSS serves.

About our guest speaker: Jennifer Williamson joined the LSS church relations team in 2025. She has previously served ministries and organizations addressing environmental policy, refugee and immigrant services, and world hunger. She is a member of Grace Lutheran Church in Dodgeville, WI where she lives with her husband and two children.

LSS is one of the ministry partners St. Mary's Lutheran Church supports on a monthly basis through benevolence contributions. You can learn more about the mission of LSS and how your offerings are making an impact at www.lsswis.org. Questions?
